

EXPERIENCE THE EXTRAORDINARY

INTRODUCING STEINWAY & SONS HOME THEATER SOUND SYSTEMS

Steinway Lyngdorf, maker of the world's finest music systems, now extends the same technical artistry and master craftsmanship to a truly distinctive family of Home Theater Sound Systems that takes high definition to a whole new level. By employing the proprietary Steinway Lyngdorf Link, the first and only one in the world to keep the audio signal entirely in the digital domain, and the most advanced decoding technology, our systems deliver sound so precise, you are virtually transported into the scene.

Be the architect of your ideal home entertainment system. Choose from a collection of bespoke finishes and up to 7.1 channel surround sound with a series of modular speakers that can be mounted on-wall, in-wall or free standing. Steinway Lyngdorf, the extraordinary awaits.
